

Nebraska Two-Year Opportunity Grants

April 8, 2022 through June 30, 2024

GRANTEE

Future Kids

OVERVIEW

The Future Kids soccer programs in Lexington, Kearney and Nebraska City provide a fun and engaging opportunity for children to develop their soccer skills, be physically active and learn important life skills such as teamwork, communication, and sportsmanship. The program is designed to be accessible to children of all skill levels and backgrounds in areas that may have geographical restrictions. Our experienced coaches travel from Omaha to these rural communities to provide the highest quality programs. Through Future Kids, the children have the opportunity to participate in weekly practices, summer camps and build lasting friendships, and develop a lifelong love of the sport. Our goal is to empower children with the confidence and skills they need to succeed on and off the field.

FOCUS AREAS

Health/Wellness through physical activity

Future Kids uses the sport of soccer as the vehicle to keep kids physically active in a fun and engaging environment. Along with the technical skills of soccer, the staff also instill the values of sportsmanship, responsibility, respect and determination into the youth in our program.
