

# Nebraska Two-Year Opportunity Grants

April 8, 2022 through June 30, 2024

GRANTEE

Health Partners Initiative dba  
Partnership for a Healthy Lincoln

## OVERVIEW

Partnership for a Healthy Lincoln (PHL) has 15 AmeriCorps members who administer wellness programming at 9 public Title 1 elementary schools in Lincoln. AmeriCorps club leaders coordinate WeCook clubs (nutrition and cooking), SPARK clubs (physical activity), and Tower Garden clubs (indoor gardening) during afterschool programming. The AmeriCorps members are responsible for increasing capacity for local food, garden and nutrition education programs, increasing exposure to, education about, and consumption of healthy foods, as well as increasing physical activity opportunities impacting youth and families in low-income neighborhoods and schools.
