

Limited-Time Free Training

for Nebraska's Early Childhood
Educators — Beginning June 1, 2023

The Nebraska Departments of Education and Health and Human Services are excited to provide some of the training to help support child care licensing requirements and Step Up to Quality participation free of charge beginning June 1, 2023, while funding is available or until May 31, 2024.

Free training during this period will include:

- Management Training Program
- Getting Down to Business
- Safe with You
- Early Learning Guidelines domain training
- Special Care Training
- Introduction to the Infant, Toddler, and PreK CLASS
- Introduction to the Family Child Care Environment Rating Scale (FCCERS-3)
- Introduction to the Environment Rating Scales: ITERS-3/ECERS-3

Registering for free training sessions on the NECPRS training calendar at necprs.ne.gov/training-public.

Visit bit.ly/FreeECTraining to learn more and find answers to frequently asked questions.

This free training opportunity was provided by funding made available through DHHS Child Care pandemic relief funds (ARPA).
