MISSION

Nebraska Agriculture in the Classroom (AIRC) is a statewide program that helps K-12 grade students and teachers develop an awareness and understanding that agriculture is their source of life's necessities.

COMMUNITY OUTREACH

- Creates instructional resources that align with Nebraska content area standards.
- Offers materials to encourage active learning with hands-on activities for youth.
- Equips educators with free programs and resources to bring agriculture alive in the classroom!

PROGRAM IDEAS

Camp & Club Guides

- Use the guides on your own to encourage active learning in lessons such as Lunchbox Mysteries with books, Dirt Detectives with science experiments, or Let's Get Growing with grow tower ideas!

Request an Education Specialist

- Participate in a hands-on lesson led by professional educators from the AIRC team! Lessons can be implemented in after-school settings and summer camps! Contact us today to learn more about activities and opportunities.

Supplemental Materials

- Use resources such as cards, posters, coloring pages, and games that apply to a variety of ages and settings.

Teacher Toolkits

- Build your path with AIRC using these grade-specific toolkits to find the right fit for your program.

CONTACT

Courtney Shreve, Director of Outreach Education, courtneys@nefb.org

The Nebraska Farm Bureau Foundation implements the Nebraska Agriculture in the Classroom program statewide. The mission of the Nebraska Farm Bureau Foundation is to engage youth, educators, and the general public to promote an understanding of the vital importance of agriculture in the lives of all Nebraskans.
