

Nebraska Two-Year Opportunity Grants

April 8, 2022 through June 30, 2024

GRANTEE

Nebraska Statewide Arboretum

OVERVIEW

We are planting pollinator gardens at participating schools through our Bloom Box program. Bloom Box is a garden in a box pollinator garden; covering 100 sq ft these gardens are perfect for after school clubs and class projects. Through the ELO grant we are able to offer these gardens to schools free of charge. By partnering with the Nebraska Forest Service we are also able to offer Project Learning Tree curriculum training to educators at participating schools.

SITES

We are an external non-profit and can work with any qualifying school grades pre-K through 12.
