

**2023-2024 ELPA21 & NSCAS Tests District Assessment Contact
(DAC) Confidentiality of Information Agreement**

The DAC must sign, via Echosign, and submit this ELPA21 and NSCAS Confidentiality of Information Agreement to the Statewide Assessment Office prior to the distribution of testing materials to schools within the DAC's district. The Echosigned form is due by **August 18, 2023.**

Under this agreement, you will have access to secure and confidential NSCAS assessment materials.

I acknowledge that authorized employees and representatives of the schools within this district will have access to secure materials for the purpose of administering ELPA21 & NSCAS assessments. I understand that because the materials are highly secure, it is my professional responsibility to protect their security. Further, I will assure that all principals in my school district sign, via Echosign, the Principal Security Agreement, and I will see that the agreements are returned according to the directions provided.

I will inform district staff that any breach of security must be reported to NDE. Contact NDE with questions at: nde.stateassessment@nebraska.gov or 402-314-3013.
