Objectives

Define common terminology

Identify federal laws and policies and recent changes

Discuss the “Request for Meal Accommodation” and “Medical Statement” forms

Explore various meal modification requests

Why Meal Modifications?

- Feed students nutritious, well-balanced meals
- Keep students safe
- “Provide an equal opportunity [for students] to participate in the School Meal Programs” SP 26-2017

USDA Policies & Memos

SP 59-2016:

Policy Memorandum on Modifications to Accommodate Disabilities in the School Meal Programs

Meal Modification Forms

Request for Meal Accommodation

Request for Meal Accommodation

This form may be used to request meal modifications for students who have a physical or medical impairment and participate in the National School Lunch & School Breakfast Programs. The district will work collaboratively with parents to ensure equal opportunity to participate in the School Meal Programs and receive program benefits. However, if the district is unable to accommodate your student's request within the meal pattern requirements; a *Medical Statement* completed by a State licensed Medical Professional will be needed (SP 59-2016).

Parent/Guardian:

Completing the *Request for Meal Accommodation* form helps the school provide meal modifications within the meal pattern requirements for students with a mental or physical impairment. Your participation in this process is very important and communication with the school team allows for advanced planning and preparation needed to provide the accommodation. The district is not required to provide a specific substitution (such as a particular brand name), but offer a reasonable modification that effectively accommodates your child's needs.

IMPORTANT: The only fluid cow's milk substitutions allowed by USDA are (1) Lactose-free fluid cow's milk or (2) a non-dairy beverage with a nutrient profile equivalent to fluid cow's milk as specified in federal regulations. To see the non-dairy beverages that meet this requirement visit https://www.education.ne.gov/forms/nsip/forms/SPdietMilkSub.pdf		

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication to obtain program information (e.g., Braille, large print, audiotape, American Sign Language), should contact the responsible state or local agency that administers the program or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339.

To file a program discrimination complaint, a Complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form which can be obtained online at: AD-3027, from any USDA office, by calling (866) 632-9992, or by writing a letter addressed to USDA. The letter must contain the complainant's name, address, telephone number, and a written description of the alleged discriminatory action in sufficient detail to inform the Assistant Secretary for Civil Rights (ASCR) about the nature and date of an alleged civil rights violation. The completed AD-3027 form or letter must be submitted to USDA by:

- (1) Mail: U.S. Department of Agriculture
Office of the Assistant Secretary for Civil Rights
1400 Independence Avenue, SW
Washington, D.C. 20250-9410;
- (2) Fax: (202) 690-7442; or

Record Retention

- Current student
 - Entirety of time spent at school district
 - Follow-up at least once a year
- No longer needing modifications
 - 3 years plus the current year

Meal Reimbursement

- SFAs can receive reimbursement for...
 - Modifications within meal pattern
 - Modifications outside of meal pattern supported by a Medical Statement

Offer Versus Serve (OVS)

- Students CANNOT be asked to exclude a food component
- Students must be able to select all food components
 - SFA MUST offer appropriate substitutions

Situational Requests

- Each request will be unique to the student
- Meal modification requests cover a wide spectrum of scenarios

Portion Sizes

- Requesting portions less than or more than minimum requirements
- Requires “Medical Statement”
- No additional reimbursement for SFA to cover added costs

Brand Name

- Specific brand names may be requested
- Requires “Medical Statement”
- Clarify request with the family
- Generic brand may be sufficient

Preferences

- Requests may be based on cultural, religious, or ethnic preferences

Meal Modification Scenarios!

Scenario #1

A parent calls and requests a gluten-free diet.

Do you encourage the parent to complete a “Request for Meal Accommodation” or “Medical Statement” form?

➤ Request for Meal Accom.

☒ Medical Statement

Scenario #2

Is an SFA required to make meal modifications for food preferences rather than for a physical or mental impairment?

➤ Yes

☒ No

Scenario #3

A student no longer requires modified meals outside the Program meal pattern.

Must an SFA obtain an amended medical statement prior to ending the student's meal modification?

➤ Yes

☒ No

Wrapping Up

- Meal modifications are important for students' health and safety
- Federal laws help determine how SFAs accommodate
 - “Request for Meal Accommodation”
 - “Medical Statement”
- Many different modifications may be requested
 - Each request should be individualized
