MISSION

Our mission is to enrich lives and engage minds by connecting communities and celebrating Nebraska with services that educate and enlighten.

WHAT WE DO

Nebraska Public Media serves educators, families, children, and caregivers with high quality instructional materials and classroom media, hands-on family engagement events, and professional learning. We work with community partners to support, plan, and implement programs for children, youth, and families during and outside of the school day. Our programming supports both early childhood (ages 2-8) and K-12 with resources and activities.

EXAMPLES OF PROJECTS

Our early childhood education programming supports learning in the following key areas:

- Everyday Literacy
- Critical and Creative Thinking
- Computational Thinking, Math, and Science
- World of Work
- The Arts

Our K-12 education programming supports learning in the following areas:

- Science, Technology, Engineering, Math
- English Language Arts
- Civics
- The Arts

Our programming includes planning for afterschool clubs, camps, family engagement, or to more generally provide curricular supports for afterschool programs.
