Board Officers

The Board will organize and elect a President and Vice President at the January meeting. The Commissioner of Education (Commissioner) will preside over the election of officers of the Board. Votes to elect officers will be taken by secret ballot, but the minutes must indicate how many votes each candidate received. A majority vote of the members of the Board is required to elect a President and Vice President.

The President shall preside at all meetings and perform all other duties prescribed by law or by the Board.

The Vice President shall perform the duties of the President in case of absence or disability of the President.

In the event the office of President becomes vacant, the Vice President shall serve until a successor has been elected. If more than three meetings remain before the Board is scheduled to organize itself in January, the Board shall elect a successor at its next regularly scheduled meeting.

The members present shall determine, by motion and majority vote, who presides if the President and Vice President are both absent from a meeting. For purposes of electing a presiding member in such cases, the meeting shall be temporarily chaired by the member with the longest service on the Board. If two or more members have equal length of service, the temporary chair shall be selected by lot.

The Commissioner, as the Executive Officer, shall be the Secretary of the Board and is responsible for the accurate recording and maintenance of Board meeting minutes. The Commissioner shall designate a staff member to act as the recording secretary to record minutes during the meetings of the Board, record votes and disseminate the minutes.

The Executive Committee is responsible for reviewing and recommending policies and procedures for the review of performance of the Commissioner; advising the Commissioner on legislative matters while the state legislature is in session; making recommendations to the Board on the position of the Department on specific bills and legislative resolutions; and reviewing Board policies, including the bylaws, and recommending to the Board changes to Board policy. The Executive Committee shall serve as a consultant group for the Commissioner.

The President and Vice President shall serve as chair and vice chair of the Executive Committee, respectively. The President shall appoint two other members who do not serve as chair of another standing committee.

connection with the Department budget and finance proposals.

The Budget and Finance Committee shall be given the additional responsibility to review the budgets for the Trust Funds of the Department and make recommendations to the Board for approval.

Planning and Evaluation Committee

The Planning and Evaluation Committee shall review and make recommendations to the Board on matters related to planning and evaluation activities and functions of the state school system.

Additional duties of the Planning and Evaluation Committee include, but are not limited to, advising and making recommendations to the Board for possible action on the development of school accountability plans; community achievement plans; program or activity performance reviews; school accountability, accreditation, and approval; statewide assessment; and content area standards.

Rules and Regulations Committee

The Rules and Regulations Committee shall review and make recommendations to the Board on matters related to education policy, primarily in the form of administrative

rules and the relationship to state and federal statutes.

Additional duties of the Rules and Regulations Committee include, but are not limited to, advising and making recommendations to the Board for possible action on the development, revision, or repeal of the administrative rules of the Department, including the personnel rules.

All standing committees shall have the responsibility to initiate legislative proposals and position statements of the Board, related to the purpose of the respective committee, to be considered by the Board for approval.

Committee chairs shall provide a report, including committee recommendations at regular Board meetings. A vote by the Board is required to adopt any committee recommendations.

Board appointments to the standing committees will be made by the President in consultation with the Vice President. Requests for membership on the committees may be made to the President by individual Board members. The chair and vice chair will be appointed by the President for each standing committee. The President and Vice President shall not serve as chair or vice chair of a standing committee, except for the Executive Committee. The committee chair is responsible for presiding over committee meetings. The committee vice chair shall act in the absence of the chair. Each standing committee shall have staff assigned by the Commissioner to assist and advise the committee.

In addition to standing committees, ad hoc committees may be formed by the President or the Board to carry out specified tasks. Members may be appointed by the President or the Board.
