

Nonpublic Title Programs Consultation Timeline

(for 2024-2025 school year services)

September 15 - October 31, 2023

Nonpublic Enrollment and Free/Reduced Counts due to NDE. This information generated the consultation list/forms in CDC for the public schools to use.

November 1 - November 15, 2023

Audit Window for corrections to that CDC data.

January 1 – June 30, 2024

School Districts collect enrollment and free/reduced information for the Targeting Steps of Title I-A grant. Districts may set specific date for all schools to submit the data to them. (Metro area schools use last Friday in January as date.)

March 1 - April 30, 2024

Non-Public Consultation Collection opens in the CDC. Districts should be contacting the nonpublic schools within their boundaries or that indicated having low-income students from their district and conducting the consultation(s) for the 2023-2024 school year and submitting that information in the CDC.

May 1- May 15, 2024

Audit window for corrections/changes to the consultation information in CDC.

July 15 – August 15, 2024

District allocations and Nonpublic Estimated allocations are posted on NDE website.

September 1 – October 15, 2024

ESSA Application opens for LEA's, service, funding amounts official and finalized, scope of requested services finalized.
