

# TITLE I PART C

## Education of Migratory Children

# Staff Directory

**2023-2024**

### MISSION

To help migratory children and youth meet high academic challenges by overcoming the obstacles created by frequent moves, educational disruption, cultural and language differences, and health-related problems.

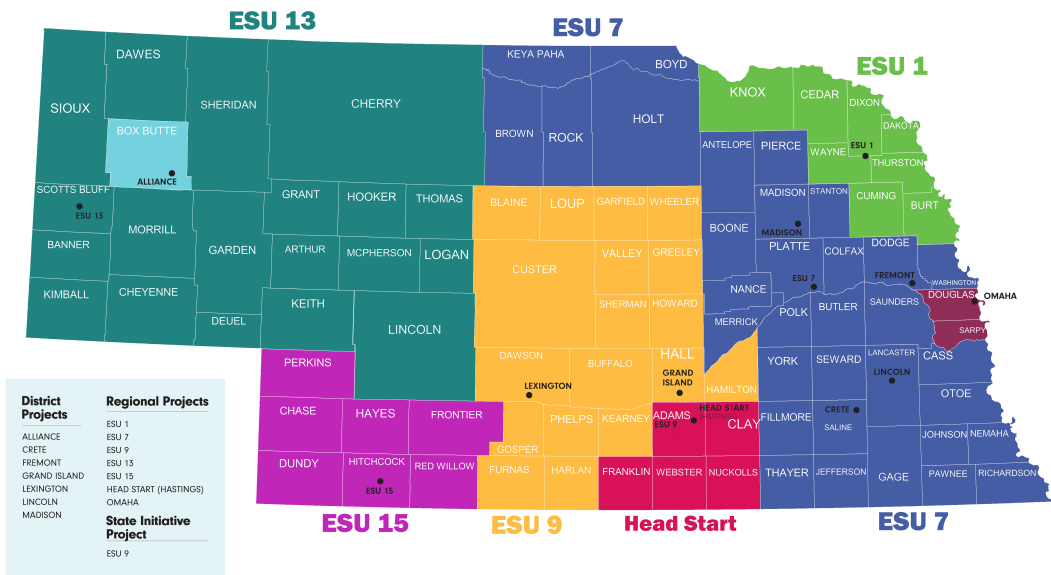

### GOALS

Ensure that all migratory students reach challenging academic standards and graduate with a high school diploma (or complete a HSED) that prepares them for responsible citizenship, further learning, and productive employment.

The Nebraska Title IC - Migrant Education Program (MEP) is organized into five regions: Panhandle, East, Northeast, Southwest, and Central. The regions include regional and district projects that implement supplemental educational services and activities through the MEP State Planning System for migrant student success. MEP staff ensure collaboration, coordination, and a statewide perspective towards Nebraska's state MEP plan.
