

Harvest of the Month

EGGS

DID YOU KNOW -

In the spring and summer, when the days are longer and sunnier, hens tend to lay more eggs.

CHICKEN

QUAIL

DUCK

FUN FACT -

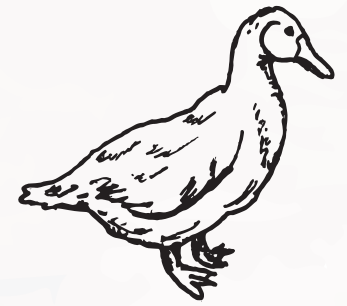

Chicken eggs are the most consumed egg worldwide, however they are not the only egg that people eat! Duck eggs have a richer flavor and are popular in Asian cuisine. Quail eggs have a more delicate flavor and are often served as appetizers or in salads.

EGGS-QUISITE COLOR -

The color of an eggshell can vary depending on the breed of the bird. However, color doesn't affect the quality, flavor, or nutritional value of the egg.
