## Summer Reading Adventure

[education.ne.gov/nebraskareads](http://education.ne.gov/nebraskareads)

## Dear Families and Caregivers,

Summer break is a whirlwind of sun-soaked adventures, cherished moments with family, and unforgettable fun with friends. Although summer is filled with the excitement of time off, some educational side effects may occur if not targeted. The “summer slide” is a term used to describe the learning loss that happens when students are not in school. In 2021, **School's Out: The Role of Summers in Understanding Achievement Disparities**, a published article in the American Educational Research Journal, reported on a study that found students in “grades 1-8 on average lost 17-34% of the prior year’s learning gains during summer break”.

The NebraskaREADS: Summer Reading Adventure packet equips caregivers and families with literary resources to combat this slide.

### Objectives:

1. Ensure universal access to books for ALL students!
2. Establish a solid foundation for lifelong reading habits.
3. Foster family exploration and engagement with literature.
4. Promote the exploration of diverse genres and types of texts. Use books to learn about more about yourself and other cultures, languages and experiences.
5. Enhance vocabulary, comprehension, and language skills.
6. Sustain and grow literacy levels by providing ongoing literary education during the summer months.
7. Facilitate connections between caregivers, schools, and local libraries to support literacy initiatives.

## Dear Reader,

Summer break is almost here! You have worked hard all year long, and I know your school is so proud of you. While summer is a time for playing in the sunshine and spending time with family and friends, it is also a great chance for you to continue learning. This packet is full of ideas to keep your brain working and your curiosity soaring over the summer. Find a friend, caregiver, or sibling to join in on the fun!

## What are some questions I should ask my child's teacher about their reading progress?

- Is my child reading on grade level? What does "reading on grade level" look like?
- What test does my child take to find out if they are reading on grade level?
- How far below grade level is my child reading?
- What specific areas of reading is my child struggling with? What activities can I do with my child at home to help?
