*Courses assigned to this teacher by the school system(s) served, represented by students enrolled in these classes, may vary by semester. Teacher and their assigned courses are subject to Nebraska Student and Staff Reporting System (NSSRS) requirements. The postsecondary entity will provide the district/system with certificate information as part of the postsecondary arrangement. For the certificate period, the Postsecondary Educational Entity agrees to assign the applicant only to high school dual enrollment courses for which the applicant is appropriately endorsed.*

By signing this form, the Postsecondary Representative verifies the following:

1. The above-named applicant meets the educational requirements set by the Postsecondary school to be employed as a teacher.
2. The above-named applicant has been hired to teach college courses to high school students for college course credit.
