Document 1: Request for Proposal Statewide Assessment NDERFP240325 [focus on pp 35-83, then if have time read pp 6-35]

Document 2: Brief from Marzano Research

Document 3: Statewide Assessment Theory of Action

The Nebraska Department of Education is releasing a Request for Proposal to solicit bids for the statewide assessment system, NSCAS (Nebraska Student Centered Assessment System). NSCAS embodies Nebraska's holistic view of students and helps them prepare for success in postsecondary education, career, and civic life.

1. Is there information included in the RFP that is standard in the industry that we do not have to include?
2. In this technical proposal
 - a. are there things not here that should be included?
 - b. are there things that could be or should be removed that may stifle responses?
3. What level of confidence do you have that we would get what we want? (Using the Theory of Action as a foundation for the document)
