

COLLEGE BOARD PRESENTS

The Nebraska College Board Fall 2024 Webinar Series

College Board will be hosting a webinar series for Nebraska educators to provide training, resources, and updates related to College Board's programs and services. Educators are invited to attend the live webinars or view recordings to support their school and/or district. Use the links below to register for live webinars. Asynchronous webinars, as well as recordings and resources from live webinars, will be posted on the NDE website.

Live Webinars: Hosted on Zoom		
Webinar Title	Webinar Session Description	Date/Time & Registration
Overview – 2025 Digital AP Testing	Starting in May 2025, standard paper testing will be discontinued for 28 AP Exams—these exams will move to the Bluebook digital testing application. This webinar will provide updates and information to schools to help with preparing for the upcoming administration, including support for teachers and students to prepare for the new format.	Thursday, September 12th, 11AM CST Monday, September 16th, 9AM CST
Introducing Career Kickstart	This webinar will provide an overview of the newest program from College Board, Career Kickstart. Learn about the Cybersecurity Pathway, the first pathway to launch out of this new program designed to take the learnings from AP and apply them to CTE programming. Our team will share information about the program, its benefits for students, training for teachers, and how you can apply to be part of year 2 of the pilot in the 2025-26 school year.	Monday, September 23rd, 12PM CST
What can you do with BigFuture?	This live webinar will provide educators an overview of BigFuture, a free, comprehensive digital resource designed to help students plan for life after high school. This session will provide information about the career exploration tools, college planning tools, and scholarship resources, including how students can be entered into monthly BigFuture Scholarship drawings for \$500 or \$40,000!	Thursday, October 10th, 12PM CST
AP Updates	This webinar will provide updates and answer questions related to AP courses and exams for the 2024-25 school year. Our team will have the most up-to-date information related to new courses, ordering, AP Classroom, and digital exams.	Wednesday, October 30th, 12PM CST
Earn College Credit with CLEP	The College-Level Examination Program® (CLEP) helps students receive college credit for what they already know, for a fraction of the cost of a college course. This webinar will explore CLEP and how with a passing score on one CLEP exam, students can earn three or more college credits at 2,900 U.S. colleges and universities.	Friday, November 9th, 1PM CST
Understanding and Using Fall PSAT Scores	This webinar will be a virtual data workshop to assist Nebraska educators with unpacking and using their results from the fall digital PSAT assessments. This session will support schools and districts in helping educators, students, and families understand and use the data from this fall.	Tuesday, December 3rd, 12PM CST

Asynchronous Webinars: Pre-recorded and posted on NDE website

Webinar Title	Webinar Session Description	Month Available
Getting Ready for the Fall 2024 SAT Suite Administration	This pre-recorded webinar will provide updates and answer questions related to the Fall 2024 Digital SAT Suite Administration. Our College Board representative for Nebraska will have the most up-to-date information related to ordering, accommodations, registering students, and preparing for the testing window.	August 2024
Making the most of AP Classroom and Bluebook to prepare students for spring 2025 AP Exams	This webinar will provide an overview of the AP Classroom and Bluebook platforms, including instructional resources, reports, and practice resources to prepare students for the spring 2025 AP Exams.	September 2024
Introduction to the Pre-AP Program and Courses	Is your district interested in offering Pre-AP courses in the 2025-26 school year? Maybe you are new to Pre-AP and want to learn more? The Nebraska College Board Team will be hosting a Pre-AP Introduction Webinar and Q&A session for Nebraska educators. This webinar will go over introductory information to Pre-AP Courses, required and optional professional learning options, accessing course resources, Pre-AP Classroom, and more to help you plan adding Pre-AP to your programming.	November 2024
Course Spotlight: AP Computer Science Principles	AP [®] Computer Science Principles (CSP) introduces students to foundational concepts of computer science and challenges them to explore how computing and technology can impact the world. AP CSP was designed with the goal of creating leaders in computer science fields, attracting those who are traditionally underrepresented in computer science, and engaging them with essential computing tools and multidisciplinary opportunities. This webinar will provide more insight on the AP CSP.	November 2024
Course Spotlight: AP Seminar	Get ready for anything by building skills critical for success in all majors and careers. In AP [®] Seminar, students learn essential and transferable skills they can use in high school, college, and career. In this course, students choose their own topic to study while they learn and build research skills, including investigation, collaboration, writing, and presentation. This webinar will provide more insight on the AP Seminar course, including how it can be offered as English 10.	November 2024
Course Spotlight: CK Cybersecurity Pathway Courses	Career Kickstart will develop courses in pathways that prepare students for high-demand, high-wage jobs that don't require a bachelor's degree. Entry-level cybersecurity roles meet that description; the first pathway we're developing is Cybersecurity. This webinar will provide more insight on the courses that makeup the CK Cybersecurity Pathway, and how schools/districts can plan for the national launch in 2025-26.	November 2024
AP Updates	This webinar will provide updates and answer questions related to AP courses and exams for the 2024-25 school year. Our team will have the most up-to-date information related to new courses, ordering, AP Classroom, and digital exams.	January 2025
