

# GREATER NEBRASKA SCIENCE AND ENGINEERING FAIR

MARCH 28 - 30, 2025

## ABOUT US

GNSEF is a regional fair that includes the eastern portion of Nebraska bound on the east by the Missouri River and on the west by Clay County. Anyone in grades 6-12 attending school in this region is eligible to compete.

**Junior Division: 6th - 8th grade**

**Senior Division: 9th - 12th grade**

## Our Categories include...

Behavioral and Social Sciences, Biochemistry, Botany, Chemistry, Computer Science, Earth and Space Sciences, Engineering, Environmental Science, Mathematics, Medicine and Health, Microbiology, Physics, and Zoology.

## ONLINE REGISTRATION

Student Registration will be available in February.

It is strongly recommended that teachers create an account and register, rather than each student self-registering. For those with home schools, either the parent can register students, or students can self-register. Online registration can be found at [gnsef.org](http://gnsef.org).

## VOLUNTEER

If you want to become a volunteer or a judge on the day of the fair scan the QR code or contact us with the number provided!

## ISEF

For more than 70 years, thousands of students from our affiliated science fair network have explored their passion for scientific inquiry at **the world's largest global science competition for high schoolers, the International Science and Engineering Fair (ISEF).**

Each year, students from more than 75 countries, regions, and territories compete in ISEF across 21 different STEM disciplines.

Currently sponsored by Regeneron, **ISEF awards nearly \$8 million in prizes and scholarships to high school scientists** each year, with a top prize of \$75,000.

There are two films (2018), *Inventing Tomorrow* and *Science Fair*, & a docuseries (2023), *National Geographic's Science Fair*, that feature U.S. and International students pathways to ISEF.

**EVENT LOCATION: NEBRASKA CITY HIGH SCHOOL, 141 N STEINHART PARK RD.**
