*Note that FastBridge CBMreading is administered to first grade student in Winter and Spring as part of the FastBridge earlyReading Composite subtests. As such, the Grade 1 thresholds provided here already factor in FastBridge CBMreading as part of the FastBridge earlyReading Composite.

Scores in the table above are the minimum values needed for a student to be considered “Progressing” toward future reading success. Scores below these values indicate a student who is “At Risk” for future reading difficulty.

Note that students in Grades 2 and 3 who score “At Risk” on **either or both** of the two assessments listed (FastBridge CBMreading, FastBridge aReading) are considered “At Risk” for reading difficulty.

Disclaimer: Threshold levels are determined by the assessment provider. For more information about the assessment and/or threshold levels, please contact the assessment provider directly.
