

Learning that works for Nebraska

NEBRASKA DISTRICT 42 STUDENT ACHIEVEMENTS AND AWARDS

Nebraska Career and Technical Student Organizations (CTSOs) are vital components of Career and Technical Education (CTE), enhancing student learning through real-world application, leadership development, and hands-on experiences. Integrated into classroom curriculum, CTSOs empower students to build employability and career-specific skills, preparing them for future success. Through activities, programs, and competitive events, students explore Nebraska career opportunities, develop technical and leadership abilities, and connect with peers, educators, and industry leaders.

This document celebrates the outstanding achievements of students and advisors from Nebraska’s seven CTSOs, showcasing state and national award winners for the 2023-2024 year by legislative district. These achievements underscore the transformative impact of CTE and CTSOs, demonstrating how they equip students with the tools to thrive in their chosen careers while contributing to Nebraska’s workforce and economy!
