

Applying Reports: Reports for Teachers and Reports for Leaders

In these two half-day sessions, participants will gain access to the updated materials in Applying Reports: Reports for Teachers and Reports for Leaders. Sessions will include a 1-hour discovery workshop and a more in-depth 2–3-hour workshop. Workshops will have a Start-of-Year focus or Growth focus depending on time of year delivered. Refresh all your slide decks, handouts, and resource sites with the updated format. These workshops are offered in half-day sessions to better accommodate the schedules of Certified Facilitators.

Applying Reports

These workshops will help you get the most out of your MAP® data
