School District Advertising for Construction, Remodeling or Repair of Building Requirements

[State Statute 73-106](#) directs the State Board of Education to adjust the dollar amount every fifth year beginning in July 2020 by the cumulative percentage change in the Consumer Price Index for All Urban Consumers as published by the Federal Bureau of Labor Statistics for the five-year period preceding the adjustment date.

Public school districts in Nebraska are required to advertise for construction, remodeling, or repair of building projects that involve costs in excess of one hundred and thirty-six thousand dollars per their board policies and accept or reject bids pursuant to [State Statute 73-101](#).
