

**Nebraska Technical Advisory Committee Meeting**  
**Nebraska Department of Education**  
**November 12, 2025**  
**9:00 a.m. – 10:00 a.m.**

**November 12, 2025**

**9:00 a.m.                      Welcome**

**9:05 a.m.                      NWEA**

*Document 1: PowerPoint*

1. *Coherence and Alignment for Educators and Families (CAEF) program updates – CAEF is a CGSA grant awarded to Nebraska in September 2024*

**9:20 p.m.                      Dr. Trudy K Clark, Nebraska Department of Education**

*Document 2: Word Document*

1. *Request for TAC Input on Proposed Refinements to NSCAS Score Reports*

*Does the addition of constructed response items to the NSCAS General ELA assessment trigger a new alignment study and/or standard setting? If not a full standard setting, would a standard setting validation be appropriate for 2027?*

- *According to the standards revision timeline, there may be new standards adopted in the fall of 2028. They will be measured in spring 2030.*
- *If a new alignment study and standard setting are conducted, another alignment study and standard setting may be required for Spring 2030.*

**Adjourn**
