Amira Threshold Levels

2026-2027

Scores on this table are the values needed for a student to be considered "Progressing" toward future reading success. For dyslexia risk, scores **above** these numbers indicate a student who is "At Risk" for reading difficulty. For Reading Mastery and Oral Reading Fluency, scores **below** these numbers indicate a student who is "At Risk" for reading difficulty. Students who score "at risk" on any ONE of the two (grades K and 1) or three (grades 2 and 3) assessments listed below is considered "at risk" for reading difficulty.
