

Nonpublic Title Programs Consultation Timeline

(for 2026-2027 school year services)

September 15 - October 31, 2025

Nonpublic Enrollment and Free/Reduced Counts due to NDE. This information generated the consultation list/forms in the Portal and for the public schools to use.

November 1 - November 15, 2025

Audit Window for corrections to that Portal data.

January 1 – June 30, 2026

School Districts collect enrollment and free/reduced information for the Targeting Steps of Title I-A grant. Districts may set a specific date for all schools to submit the data to them. (Metro area schools use last Friday in January as date.)

March 1 - April 30, 2026

Non-Public Consultation Collection opens in the Portal (Title I) and the Portal (Title II, III-EL, III-IM, IVA, and IVB). Districts should be contacting the nonpublic schools within their boundaries or that indicated having low-income students from their district and conducting the consultation(s) for the 2026-2027 school year and submitting that information in the Portal.

May 1- May 15, 2026

Audit window for corrections/changes to the consultation information in Portal (Title I) and the Portal (Title II, III-EL, III-IM, IVA, and IVB).

July 15 – August 15, 2026

District allocations and Nonpublic Estimated allocations are posted on NDE website.

July 25 – October 15, 2026

ESSA Application opens for LEA's, service, funding amounts official and finalized, scope of requested services finalized.
