

79-3402. Terms, defined.

For purposes of the School District Property Tax Limitation Act, unless the context otherwise requires:

(1) Approved bonds means (a) bonds that are issued by a school district after the question of issuing such bonds has been approved by the voters of such school district and (b) bonds that are issued by a school district pursuant to section 79-10,110, 79-10,110.01, or 79-10,110.02;

(2) Average daily membership has the same meaning as in section 79-1003;

(3) Base growth percentage means the sum of:

(a) Three percent;

(b) The annual percentage increase in the student enrollment of the school district multiplied by:

(i) One if the school district's student enrollment has grown by an average of at least three percent and by at least one hundred fifty students over the preceding three years;

(ii) Seven-tenths if the school district's student enrollment has grown by an average of at least three percent over the preceding three years; or

(iii) Four-tenths if subdivisions (3)(b)(i) and (3)(b)(ii) of this section do not apply;

(c) The percentage obtained by first dividing the annual increase in the total number of limited English proficiency students in the school district by the student enrollment of the school district and then multiplying the quotient by fifteen hundredths; and

(d) The percentage obtained by first dividing the annual increase in the total number of poverty students in the school district by the student enrollment of the school district and then multiplying the quotient by fifteen hundredths;

(4) Department means the State Department of Education;

(5) Non-property-tax revenue means revenue of a school district from all state and local sources other than real and personal property taxes. Non-property-tax revenue does not include grants, donations, bonds, all revenue from a school district that has been merged into another school district or dissolved, activity funds, bond funds, cooperative funds, depreciation funds, employee benefit funds, nutrition funds, qualified capital purpose undertaking funds, or student fee funds, insurance proceeds, proceeds from the sale of property including land, buildings, or capital assets in special building funds, or proceeds of financing;

(6) Property tax request means the total amount of property taxes for the general and special building funds requested to be raised for a school district through the levy imposed pursuant to section 77-1601;

(7) Property tax request authority means the amount that may be included in a property tax request for the general or special building funds of the school district as determined pursuant to the School District Property Tax Limitation Act;

(8) School board has the same meaning as in section 79-101;

(9) School district has the same meaning as in section 79-101; and

(10) Student enrollment means the total number of students in the school district according to the fall school district membership report described in subsection (4) of section 79-528.

79-3405. Property tax request authority; election to exceed; procedure; base growth percentage; increase; procedure.

(1) A school district's property tax request may exceed its property tax request authority by an amount approved by a sixty percent majority of legal voters voting on the issue at a special election called for such purpose upon the recommendation of the school board of such school district or upon the receipt by the county clerk or election commissioner of a petition requesting an election signed by at least five percent of the legal voters of the school district. The recommendation of the school board or the petition of the legal voters shall include the amount by which the school board would increase its property tax request for the year over and above the property tax request authority of such school district. The county clerk or election commissioner shall call for a special election on the issue within thirty days after the receipt of such school board recommendation or legal voter petition. The election shall be held pursuant to the Election Act, and all costs shall be paid by the school district.

(2)(a) A school district may increase the base growth percentage used to determine its property tax request authority under section 79-3403 by a percentage approved by an affirmative vote of at least seventy percent of the school board of such school district. The maximum base growth percentage that may be approved under this subsection shall be:

(i) The base growth percentage that would otherwise be applicable plus an additional seven percent for school districts with an average daily membership of no more than four hundred seventy-one students;

(ii) The base growth percentage that would otherwise be applicable plus an additional six percent for school districts with an average daily membership of more than four hundred seventy-one students but no more than three thousand forty-four students;

(iii) The base growth percentage that would otherwise be applicable plus an additional five percent for school districts with an average daily membership of more than three thousand forty-four students but no more than ten thousand students; or

(iv) The base growth percentage that would otherwise be applicable plus an additional four percent for school districts with an average daily membership of more than ten thousand students.

(b) Before a school board votes to increase a school district's base growth percentage under this subsection, the school board shall publish notice of the upcoming vote in a legal newspaper of general circulation in the school district. Such publication shall occur at least one week prior to the public meeting at which the vote will be taken.

(3) A school district's property tax request may exceed its property tax request authority pursuant to any property tax authority approved by the voters at a levy override election under section 77-3444 held prior to January 1, 2024.

79-3406. Unused property tax request authority; carry forward.

A school district may choose not to increase its property tax request by the full amount allowed by the school district's property tax request authority in a particular year. In such cases, the school district may carry forward to future years the amount of unused property tax request authority. The department shall calculate each school district's unused property tax request authority and shall submit an accounting of such amount to the school board of the school district. Such unused property tax request authority may then be used in later years for increases in the school district's property tax request.

Explanation of 2026/27 Property Tax Authority Calculation

SECTION A – TOTAL PROPERTY TAX & NON-PROPERTY TAX REVENUE

From the General and Special Building Funds only – Data collected and added together from the following sources:

- Property tax requests from the current budget year (Source 2025-26 LC-2)
- Non-property tax revenue reported in the previous year's Annual Financial Report (2023-24 AFR)
- 2024/25 SPED reimbursement as reported in the final FFR June 2025
- 2025/26 TEEOSA paid, including prior year correction

SECTION B – TOTAL BASE GROWTH %

The sum of the following percentages:

- 3%
- The annual percentage increase in the student enrollment of the school district multiplied by:
 - One if the school district's student enrollment has grown by an average of 3% over the preceding 3 years and 150 students over the 3 years; seven-tenths if the school district's student enrollment has grown by an average of 3% over the preceding 3 years; or four-tenths if the growth average is below 3%
- The percentage obtained by first dividing the annual increase in the total number of limited English proficiency students in the school district by the student enrollment of the school district and then multiplying the quotient by fifteen hundredths
- The percentage obtained by first dividing the annual increase in the total number of poverty students in the school district by the student enrollment of the school district and then multiplying the quotient by fifteen hundredths

SECTION C – REVENUE CAP

Total Property Tax & Non-Property Tax Revenue (Section A) multiplied by Total Base Growth Percentage total (Section B). This amount is the upcoming year's (2025-26) total revenue subject to the property tax cap authority calculation.

SECTION D – PROPERTY TAX REQUEST AUTHORITY

The sum of the Revenue Cap (Section C)

- LESS: Non-property tax revenue reported in the most recent available year's Annual Financial Report (2024-25 AFR) for the General and Special Building Funds. At certification data is updated with amended AFR data.
- LESS: 2025/26 SPED reimbursement amount (model uses estimate from November 2025 SPED FFR, certification is revised with final to pay in 2025/26)
- LESS: TEEOSA to be paid in the upcoming fiscal year including foundation aid and prior year correction

- PLUS: Prior years' unused property tax authority (2025-26 LC-2)

2025-26 Property Tax Request Authority is the maximum amount a district may request between its General and Building fund tax requests without additional Board approval. This amount does not take into account the levy or spending authority requirements, which may limit a district's request to an amount below its property tax request authority.

SECTION E - ADDITIONAL BASE GROWTH PERCENTAGE

With 70% Board approval the following additional percentage will apply:

- 7% with average daily membership of 471 students or less
- 6% with average daily membership of 472-3044 students
- 5% with average daily membership of 3045-10,000 students
- 4% with average daily membership of 10,001 or more students

SECTION F – ADDITIONAL PROPERTY TAX AUTHORITY IF BOARD APPROVED

Total Property Tax & Non-Property Tax Revenue (Section A) from the base year (2025-26) multiplied by the Additional Base Growth Percentage (Section E). This is the amount of additional property taxes for the General and Building fund that may be levied if the district obtains 70% board approval.

SECTION G – PROPERTY TAX REQUEST AUTHORITY Including additional board-approved amount

Sum of Property Tax Request Authority (Section D) and Additional Property Tax Authority (Section F) for the upcoming year (2026-27), which is the maximum amount a district could levy in the General and Special Building funds without obtaining a voter-approved override.
