Additional Information

[1] List all feeding locations where food is prepared or delivered. Include alternative feeding sites and contracted/vended locations.
[2] SFA must declare if FSMC needs to provide contract meals. These are meals served to other SFAs for which the SFA has a vendor agreement with.
[3] If food is being provided/purchased for any group on a regular basis indicate in the "other" category, Explain.

Exhibit A: Additional Information About Foodservice Programs

Provide a response for the questions below. Indicate N/A in box, if not applicable.

1. Who operates the Point-of Service? FSMC employee(s) or SFA employee(s)? If SFA employee(s), are they paid from the Non-Profit School Food Service Account or the General Fund?

District staff/paras currently serve as cashiers at Lincoln and Jefferson Elementary Schools. District staff are paid from the Non-Profit School Food Service Account. They work 2 hours per day. These staff will be retained by the SFA for the current contract. FSMC staff operate the POS at the remaining sites.
FSMC staff operate POS during the Summer Food Service Program.

2. How are meals delivered to satellite locations/other buildings? Are SFA staff or FSMC staff responsible for the delivery of food and/or pick up of any used serving items? Is a SFA owned vehicle or FSMC owned vehicle used for delivery? Are there any special delivery instructions? Attach a Delivery Schedule.

Early Beginnings Preschool is located in a building adjacent to Jefferson Elementary-food is delivered/picked up (wheeled to) via enclosed carts to this area by food service staff. Food is delivered in bulk for family-style meal service. FSMC staff is responsible for delivery. Food for Tiger Den is provided by the High School as pre-portioned reimbursable meals. FSMC staff deliver to Tiger Den. Food delivered in bulk by FSMC food service staff from Middle School to Jefferson Elementary. FSMC responsible for delivery of all food and pick-up after meal service. District vehicle can be provided. Delivery is at 7:00 for breakfast and 10:30 for lunch.

3. If meals are served to preschoolers, what meals do the preschoolers have access to? Do they eat in the cafeteria or in the classroom? Do they go through the serving line as a separate class, co-mingled with other students, or do they eat family-style?

The morning session of Preschoolers has 50 students enrolled and they have access to breakfast. The afternoon session of Preschoolers also has 50 students enrolled. The afternoon session only has access to lunch. They eat in the classroom family style for both breakfast and lunch. The FSMC is responsible for delivering the meals to the classroom.

4. Are alternative service-styles of breakfast and lunch meals offered such as grab and go, breakfast in the classroom, breakfast after the bell, school stores, or alternative feeding areas available at any of the sites? If so, please describe below.

At the High School - the traditional breakfast is served from 7:30-7:55. After the first period, students can come to the Tiger Den to purchase a la carte food items and have the option of receiving a reimbursable breakfast if they have not already received one. A reimbursable lunch and a la carte items can also be purchased at the Tiger Den at lunch.

5. Does the SFA currently provide contract/vended meals or have plans to contract/vend meals to other organizations in the future? If so, please describe. Who is responsible for the delivery of food and/or pick up of any used serving items? Are there any special delivery instructions?

Vendor agreements with St. James Elementary and Kids Korner Childcare. Food is picked up by vended staff. Snack items for St. James Elementary are ordered in bulk through a catering request. Billed directly to St. James Elementary by FSMC. Kids Korner approximately 35 breakfasts and lunches per day. St. James Elementary serves approximately 115 breakfasts and lunches per day.

6. Are Non-Reimbursable Snacks or Milk Breaks provided? If so, include grades, times, items provided and how the milk/snack is paid for (paid by families, general fund, etc.)

Afternoon Milk Break is at 2:30 p.m. for Early Beginnings Pre-K. Only milk is provided; no food items. Families pay for milk. FSMC is responsible for providing the milk. Average 100 milks per day.

7. Are there any grade re-configurations, remodeling of existing sites, or new school buildings in the next 5 years?

Opening Truman Elementary School in SY 27-28. Expected Enrollment 250.
Remodeling High School kitchen in the summer of 2026.

8. Does the school currently have, or will the school be adding daycare in the next 5 years? If so, please describe. Are meals provided to the daycare on non-school days?

Truman Elementary School will also include a district operated daycare. The daycare will operate under CACFP and follow the district calendar for operating days.

9. Does the SFA currently operate the Summer Food Service Program (SFSP)? If so, describe when and how the SFSP program typically operates. Does the SFA offer non-congregate meals? Include meals served, anticipated number of serving days and average participation.

Lincoln Elementary participates in the SFSP in conjunction with summer school in the month of June. Breakfast and Lunch are served with an average of participation of 120. The anticipated number of serving days is 20. FSMC staff operate POS during the Summer Food Service Program. The SFA does not offer non-congregate meals.

10. Does the SFA currently participate in the Fresh Fruit and Vegetable Program? If so, describe the SFAs expectation for the FFVP program. Include how many days FFVP is to be offered, FSMC responsibilities for nutrition education, etc.

Jefferson Elementary operates the FFVP program for grades K-5. District expects FFVP to be offered 3 days per week with the FSMC providing nutrition education materials. District expects a variety of different fresh fruits and vegetables to be included on the 21 day menu submitted as part of the proposal.

11. Does the SFA currently participate in the After School Snack program? If so, please describe. Who is responsible for training the After School Snack Program staff on program requirements, food safety, civil rights, etc.?

Lincoln Elementary participates in the After School Snack Program from 3:30-4:00 p.m. FSMC responsible for providing snack items and training After School Snack Program staff on program requirements including point of service count, food safety and civil rights training.

12. Does the SFA currently participate in the Special Milk program? If so, please list grades and describe.

N/A

13. Does the SFA currently participate in CACFP At-Risk afterschool snack, At-Risk Supper? If so, please describe.

N/A

14. Describe the SFA's policy for snow days; late start days; early release days; in school suspension meals; meal period length; open or closed campus/lunch periods; field trips/field days; special meals for Lent or other holidays; and any other policies that could impact the food service operation.

No meals provided for snow days, lunch provided for late start and early release days. A reimbursable sack lunch is provided for in school suspension meals. Open campus for lunch for 12th grade, 4th quarter only. Students have the option of ordering a reimbursable sack lunch for field trips. District requests a non-meat entree option during Lent. Menu items containing pork must be indicated on the menu.

15. Does the SFA currently participate or would like to participate in Farm to School activities, such as Harvest of Month, Nebraska Thursdays, or other? If so, please describe.

District receives one beef donated annually. Food service program pays processing. FFA has school garden and donates tomatoes and lettuce. A local orchard donates apples one time per week for 2 weeks (enough for all students). District would like to expand the Farm to School activities including Harvest of the Month, Nebraska Thursdays and the annual October Crunch Off Event.

16. Does the school food service currently participate in any other grant funded programs (Examples: Team Nutrition, Farm to School)? If so, please describe.

The district currently participates in the Local Food for Schools (LFS) grant and plans to continue this program, if available.

17. Does the FSMC currently provide any adult meals for which it does not charge the SFA other than for FSMC food service staff? Provide detail on who receives these meals, if meals are for breakfast and/or lunch and the number of breakfast and lunch meals the FSMC is providing at no charge to the SFA.

The FSMC currently provides the SFA 4 lunch meals at no charge for district staff with school lunch duties.

18. Include any other additional information you feel is important to know about the SFA.

LL Snack Company stocks vending machines. District would like the FSMC to stock the vending machines.

District interested in opening a school store at the Middle School for a la carte items and reimbursable meals.

Exhibit A: SITE INFORMATION
Attach a Delivery Schedule (if applicable)

Attach a copy of Vended Meal Agreements with other SFAs/Organizations

Attach sponsor and site application(s) for all programs the SFA participates in from Nutrition Services CNP website.

This list could include:

Programs
School Meals Application Packet which includes: • Sponsor Application • Site Summary Page • Site Application(s) for each site
Summer Food Service Program • Sponsor Application • Site Application(s) for each site, including integrity plan
Child and Adult Care Food Program • Sponsor Application • Site Application(s) for each site
