

Psychological First Aid for Schools (PFA-S) Training Opportunities

2023-2024

The goal of utilizing PFA-S is to help strengthen the team response and recovery process for dealing with hazards, threats, and incidents. The PFA-S response can assist students and staff in recovering from distressful reactions to a crisis and in building adaptive coping skills. This remote PFA-S training is provided at no cost to schools and ESUs.

Two Day PFA-S Team Training

This training is for school and ESU teams and covers the 8 core actions of PFA-S and role of PFA-S in the EOP

- **September 19-20, 2023**
